

Boppin' the Blues

Jerry Lee Lewis

Well all my friends are boppin' the blues it must be goin' round

All my friends are boppin' the blues and it must be goin' round

I love you baby but I must be rhythm bound

Well the doctor told me boy you don't need no pills

Yeah that doctor told me son you don't need no pills

Just a handful of nickels and a jukebox will cure your ills

Well all my friends are boppin' the blues and it must be goin' round

All them cats are boppin' the blues and it must be goin' round

I love you baby but I must be rhythm bound

Well the cat bug bit me man I don't feel no pain

Yeah that jitter bug caught me man I don't feel no pain

I still love you baby but I'll never be the same yeah

Well all them cats are boppin' the blues it must be goin' round

All my friends are boppi' the blues and it must be goin' round

I love you baby but I must be rhythm bound

Well rock bop rhythm'n blues rock bop rhythm'n blues baby

Dock bop rhythm'n blues rock bop rhythm'n blues

Rhythm'n blues it must be goin' round
