

# Breathless

Jerry Lee Lewis

Now, if you love me,  
let's please don't tease  
If I can hold you then  
let me squeeze  
My heart goes 'round and 'round  
My love comes tumblin' down

You leave me Breathless  
Oh, I shake all over and  
you know why  
I'm sure it's love and  
that's no lie  
'cause when you call my name  
I burn like wood inflamed

You leave me Breathless  
Oh, baby! Mm-mm. Crazy!  
You're much too much  
I can't love you enough  
Now it's all right to hold me tight,  
but when you love me  
love me right

Now, come on, baby  
Don't be shy  
'cause love was meant for you and I  
Wind, rain, sleet or snow  
I will be wherever you go  
You leave me Breathless
