

Crazy Arms

Jerry Lee Lewis

Now blue ain't the word for the way that I feel
That old storm brewing in this heart of mine
Someday crazy arms will hold somebody new
But now I'm so lonely all the time

Crazy arms that needs to hold somebody new
While your heart keeps sayin' your not mine not mine
Not mine not mine my troubled minds grows blue
To another you'll be wed but now I'm so lonely all the time

Now take all those precious dreams I had for you dear
And take all that love I thought was mine
Some day your crazy arms will hold somebody new
But now I 'm so lonely all the time

Crazy arms that reach to hold somebody new
While my yearning heart keeps saying your not mine
Not mine not mine not mine my troubled mind goes blue
To another you'll be wed but now I'm so lonely all the time
