Crazy Arms

Jerry Lee Lewis

Now blue ain't the word for the way that I feel That old storm brewing in this heart of mine Someday crazy arms will hold somebody new But now I'm so lonely all the time

Crazy arms that needs to hold somebody new
While your heart keeps sayin' your not mine not mine
Not mine not mine my troubled minds grows blue
To another you'll be wed but now I'm so lonely all the time

Now take all those precious dreams I had for you dear And take all that love I thought was mine Some day your crazy arms will hold somebody new But now I 'm so lonely all the time

Crazy arms that reach to hold somebody new
While my yearning heart keeps saying your not mine
Not mine not mine not mine my troubled mind goes blue
To another you'll be wed but now I'm so lonely all the time
