

## Dream Baby (How Long Must I Dream)

Jerry Lee Lewis

Sweet dream baby  
Sweet dream baby  
Sweet dream baby  
How long must I dream

Dream baby got me dreamin' sweet dreams  
The whole day through  
Dream baby got me dreamin' sweet dreams  
Night time too  
I love you and I'm dreamin' of you  
That won't do  
Dream baby make me stop my dreamin'  
You can make my dreams come true

Sweet dream baby  
Sweet dream baby  
Sweet dream baby  
How long must I dream

Dream baby got me dreamin' sweet dreams  
The whole day through  
Dream baby got me dreamin' sweet dreams

Night time too  
I love you and I'm dreamin' of you  
That won't do  
Dream baby make me stop my dreamin'  
You can make my dreams come true

Sweet dream baby  
Sweet dream baby  
Sweet dream baby
