

Echoes

Jerry Lee Lewis

Memories and bitter tears all my dreams down through the years
All gone at last with chimes of the past
This echo in my heart that crawls from deep within
And I know that I'm paying for love's unforgiven sin

Echoes echoes of your love keeps calling me
Echoes of your love will they ever let me be
A feeling I can feel of things I just can't see
An unseen voice keeps calling me

There's a pain in my heart that I know I can feel
A shattered set of dreams that can never never be real
Echoes echoes they shrill in my ears
Through my troubled mind year after year

And to a lonely heart that is paying the price
The price for love's unforgivable sins
Echoes of your love will they ever let me be
