

# Honky Tonk Heaven

Jerry Lee Lewis

I spent the best part of my life 'round neon lights  
I done talked myself out of many good fights  
Over some barroom queen who came to dance  
While a-listening to some honky tonk band

I've caroused around from town to town  
Seen the sun comin' up, face-down  
With my ol' rockin' piano in my hand  
Well, I've always been a honky tonk man

Send me to honky tonk heaven when I die  
Oh, gonna be a-rollin' on a big ol' highway in the sky  
With some honky tonk angels by my side  
Send me to honky tonk heaven when I die

Woah-ho, all right!

Send me to honky tonk heaven when I die  
Gonna be a-rollin' on a big ol' highway in the sky  
With some honky tonk angels by my side  
Send me to honky tonk heaven when I die

Woah  
Rock and roll, baby, whoo!  
Brrrrr

Send me to honky tonk heaven when I die  
Well, I'm a-rollin on a big ol' highway in the sky  
With some honky tonk angels by my side  
Send me to honky tonk heaven when I die

Hey, hey, hey, hey, hey, hey, hey, whoo  
Boy, I'd like to hear Elvis Presley and Jerry Lee Lewis do this when I was a  
bout twenty-five years old, hahahaha  
Whoo!

Send me to honky tonk heaven when I die  
Oh, I'm a-rollin' on a big ol' highway in the sky  
With some honky tonk angels by my side  
Send me to honky tonk heaven when I die

Send me to honky tonk heaven when I die  
I'm gonna roll it on a big ol' highway in the sky  
With some honky tonk angels by my side  
Send me to honky tonk heaven when I die

Yodel-ay-ee-oh del-ay-ee-hee-oh del-ay-ee  
Lay-ee-oh del-ay-ee-hee-hee  
Lord have mercy, Jimmie Rodgers there

Send me to honky tonk heaven when I die  
I'm a-rollin' on a big ol' highway in the sky  
With some honky tonk angels by my side  
Send me to honky tonk heaven when I die

Send me to honky tonk heaven when I die  
A-rollin' on a big ol' highway in the sky

With some honky tonk angels by my side  
Send me to honky tonk heaven when I die
