

It's a Hang Up Baby

Jerry Lee Lewis

Sometimes you pick me up
When I'm feelin' so mixed up and confused
Then you wanna go drop me like a hot potato
Girl now what am I gonna do
With you you mean mean woman tell me what am I gonna do
Oh it's a hang up baby to be hung up on a woman like you

Remember when we met
You know we had a lot in common it's true
But baby I don't know where you're at
Girl tell me now what's come over you
You do some mean mean voodoo
You got a monkey's paw hangin' over you
Yeah it's a hang up baby to be hung up on a woman like you

Baby you know I'm hung up on you
And there's nothin' I can do
You know I need you by my side little girl
Let me tell you why baby
Cause I gave you lots of money little girl
You broke your daddy's bank
Don't you know I gave you all my lovin'
Baby but you didn't even tell me thanks

Thank you you mean mean woman
Thanks to you honey I'm really confused
Yes and it's a hang up baby to be hung up on a woman like you
Oh it's a hang up baby to be hung up on a woman like you
It's a hang up baby to be hung up on a woman like you
