

Jerry Lee's Rock & Roll Revival Show

Jerry Lee Lewis

It's Jerry Lee's rock 'n' roll revival show
Come on in baby let the good times roll
Got long tall Sally, got Stagger Lee
Showing lots of personality
Here at Jerry Lee's rock 'n' roll revival show

Pour me a little more of that good old elder berry wine
Get down, get down till you get it, it feels so fine
Great balls of fire, honey turn out the lights
Gonna be good rocking tonight
Here at Jerry Lee's rock 'n' roll revival show

Come on and shake, baby let me see you move
Feels so good when you're doing what you want to do

Lock all the doors, let's get mixtafried
Everybody here's gonna have a little fun tonight
Early in the morning when it's breaking dawn
They'll have a party still going on

Come on and shake, baby let me see you move
Feels so good when you're doing what you want to do

Long tall Texas over by the telephone
Good golly miss Molly won't you leave this poor cowboy alone
They got rock and roll fever, got boogie boogie blues
Come on in here, let Jerry show you what to do
