

# My Only Claim To Fame

**Jerry Lee Lewis**

Well I do not long to have great wealth or riches  
For love means more to me than world acclaim  
And now my cupful was filled when you first said you love me  
And you're the only one I want to praise my name

Each time we kiss I make a small deposit  
In an endless bank of happy memories  
And I can't live long enough to withdraw them  
For one day with you is like eternity

Yes you changed my world into a bed of roses  
And all my skies are now a perfect blue thanks to you  
And in looking back on all of my achievements  
Well my greatest claim to fame is loving you  
Yes my greatest claim to fame is loving you
