

The One Rose That's Left in My Heart

Jerry Lee Lewis

You're the one rose that's left in my heart, dear
Woman, I love you, adore you, I do
Baby, each night in dreamland I'm wandering, sweetheart
Telling love's story all anew

From out of the blue sky dark clouds came rolling
They were breaking Jerry Lee's heart right in two
Don't leave me alone, I love only you
Hey girl, (one rose) that's left in'a my heart

Mister Charlie McCoy (harmonica solo)
Mister Kenneth Lovelace comin' in now (violin solo)
Let ol' Killer do a little bit for ya (piano solo)

(One rose)

Hey girl, you know you're the the one rose that's left in my ol
d heart, dear
I love you, I adore you, I do, honest I do
Baby, each night in loveland I'm wandering, sweetheart
Telling love's story all, all anew

From out of the blue sky thunderstorms came rollin'
They were breaking Jerry Lee's old heart in two
Don't leave me alone, I love only you
