

## Your Cheatin' Heart

Jerry Lee Lewis

Your cheating heart will make you weep  
You'll cry and cry you'll try to sleep  
But sleep won't come the whole night through  
Your cheating heart will tell on you

When tears come down like falling rain  
You'll toss around and call my name  
You're gonna walk the floor the way I do  
Your cheating heart is gonna tell on you

Yes when tears come down like falling rain  
You'll toss around and call my name  
You're gonna walk the floor the way I do  
Your cheating heart is gonna tell on you
