I'm almost crazy almost crazy

Couldn't go to sleep last night walked the floor until the dayl ight

Thinkin' how it used to be when you were here with me And honey I'll live with your memory till I'm almost crazy almo st crazy

I've paid a million times for the way I've been so blind Cause everytime I think of you my heart wants to break in two And I'm no notning nothing but the blues till I'm almost crazy hmm

I thought I didn't need your love to share hmm

I had to lose you to find out how much I care now I'm almost cr azy almost crazy

I see the fool I've been and if I'd get you back again Well I'm gonna prove to you that my love is really true Cause honey I've cried and cried for you till I'm almost crazy almost crazy

I'm almost crazy
