

# I Don't Do It No More

Jerry Reed

Stayin' awake for a week at a time  
Doing them doobies and drinking that wine  
I don't do it no more, I don't do it no more  
Roarin' all evening, running all day  
Talking so fast I can't hear what I say  
I don't do it no more, I can't do it no more  
Can't do it like I done it before, I doesn't do it no more

I don't know if it's just my body getting older  
Or just my mind that's getting worn  
So if you're thinking of partying strong  
I'm sorry to say, you can't take me along  
I don't do it no more, I won't do it no more  
Won't do it like I done it before, I can't do it no more

Keeping my eyes on them little white lines  
Loving them ladies two at a time  
I don't do it no more, I can't do it no more  
Searchin' the night for a body to share  
Then waking up wishing that I wasn't there  
I don't do it no more, I won't do it no more  
Won't do it like I done it before, I won't do it no more

Every time I hear about some new game that they're playing  
It sounds like the same damn game that I played before  
So if you're thinking of partying strong  
I'm sorry to say, you can't take me along  
I don't do it no more - I can't do it no more  
I know you've seen me do it before, but I don't do it no more  
I don't know why I done it before, but I don't do it no more
