

I Just Don't Understand

Jerry Reed

Well you call me your baby while you're holding my hand
But how you can hurt me I just don't understand
Well you tell me that you need me like the ocean needs the sand
And how you mistreat me woman I just don't understand
Well you know that I love you more than anyone can
But a one-sided love I just don't understand

Oh well you know that I love you love you woman more than anyone can

But a one-sided love oh I just don't understand
Well you tell me you love me while you're holding my hand
Oh but how you can hurt me oh I just don't understand
Well you tell me tell me you love me more than anyone can
Oh and you hurt me and woman I don't understand
Oh I don't understand I just don't understand
