

# You Don't Mess Around with Jim

**Jerry Reed**

Well now uptown got its hustlers the bowery's done got its bums  
42nd Street got big Jim Walker he's a pool shootin' son of a gun  
Yeah he's big and he's dumb as any man can come but he's stronger tha  
n a country horse  
And when the bad folks all get together at night you know they all ca  
ll big Jim Boss  
Just because

And they say you don't tug on Superman's cape  
You don't spit into the wind  
You don't pull the mask off that ol' Lone Ranger  
And you don't mess around with Jim

Well outta south Alabama come a country boy he said I'm lookin' for a  
man named Jim  
I'm a pool shootin' boy my name is Willy McCoy but down home they cal  
l me Slim  
Yeah I'm lookin' for the King of 42nd Street he drive a drop top Cadi  
llac  
Last week he took my money and it may sound funny but I come to get m  
y money back

And everybody said hey Jack don't you know that  
You don't tug on Superman's cape  
You don't spit into the wind  
You don't pull that mask off the ol' Lone Ranger  
And you don't mess around with Jim

Well a hush fell over that pool room Jimmy come boppin' in off the st  
reet  
And when the cuttin' was done the only part that wasn't bloody was th  
e soles on the big man's feet  
He was cut in about a hundred places and he was shot in a couple more  
And you better believe they sung a different kind of story when big J  
im hit the floor  
And now they say

You don't tug on Superman's cape  
And you don't spit into the wind  
You don't pull the mask off that ol' Lone Ranger  
And you don't mess around with Slim

Yeah you got it brother that big Jim he done got what left of his hat  
And put it on what's left of his head and he hit the street

You don't tug on Superman's cape  
You don't spit into the wind  
You don't pull the mask off the ol' Lone Ranger  
And you don't mess around with Slim

Not if you got a lick of sense you don't  
You see what that little skinny fellow did to Jim

He beat his brains out I mean mostly outta his head  
Say where'd Jim go anyway  
Ah Jim left and went and got in his drop top Cadillac  
Shoot Skinny done dunked his mop
