

## Call Me Darling

Jerry Vale

I love you so and I'm sure you must know  
That my heart cries for you, only you  
Tell me, my dear, what I'm longing to hear  
Let my hope and my wishes come true

Call me darlin', call me sweetheart, call me dear  
Thrill me, darlin', with the words I want to hear  
In your dark eyes so smilin' a promise I see  
But your two lips won't say you care for me

Oh my darlin', if my daydreams would come true  
You would meet me at a secret rendezvous  
And I'd find the paradise that lies deep in your eyes  
Call me darlin', call me sweetheart, call me dear

~~~~~♪♪♪ ~~~~~

And I'd find the paradise that lies deep in your eyes  
Call me darlin', call me sweetheart, call me dear
