

La Vie En Rose

Jerry Vale

Hold me close and hold me fast
The magic spell you cast
This is la vie en rose

When you kiss me, Heaven sighs
And though I close my eyes
I see la vie en rose

When you press me to your heart
I'm in a world apart, a world where roses bloom
And when you speak, angels sing from above
Everyday words seem to turn into love songs

Give your heart and soul to me
And life will always be
La vie en rose

Quand il me prend dans ses bras
Il me parle tout bas
Je vois la vie en rose

Il me dit des mots d'amour
Des mots de tous les jours
Et ca me fait quelque chose

When you press me to your heart
I'm in a world apart, a world where roses bloom
And when you speak, angels sing from above
Everyday words seem to turn into love songs

Give your heart and soul to me
And life will always be
La vie en rose
