

Breakin Me

Jes

Every day I see your face I'd wish that it stayed
Don't even know what made me run away
It's just the way I play the game
Emotional is not a word I use to explain myself
And now you got me down upon my knees
Oh baby please just take me back

I don't want to be in love, but your making me
Let me up I've had enough
Girl your breakin' me

Now here I am, half a man standing alone,
This feeling like I've lost my only chance at happiness
When I let you go, no i don't want to be alone, thinking bout y
ou girl
I've got nothing left to hold in my lonely world

The first time my heart was ever touched, was the day I lost yo
ur love,
I can feel it in my flesh my flesh and blood,
But my soul can only take so much

So there it is, why cant you give it one more try,
You and i can find a why to live if you let me in just one more
time,
I know you've lost your faith in me, but I still believe,
Can't I make you understand, can I make you see,
I am desperate for your love, and its breaking me
Oh yea its breakin' me
Breakin' me
