

The One

Jes

You feel it
I know it
This is the time to show it
In my heart
The battles won
And I want it
So help me
Into your arms
I'm falling
In this war
I have succumb
I will follow you
I'll lay my heart out on the line
I will follow you
All I needs a sign
You are the one

You are the one
You are the one
I can't turn around and let you go
You know you are the one
You are the one
You are the one
You are the one
You know you are the one
You know you are the one
You are the one
Oh baby baby
You are the one...
