

Fixit Men

Jesca Hoop

you got to keep them fix-it men fed you get
you got to keep them buttered and breaded
you got to keep them sweet
sweet things said
no love at the door they won't come no more.

my oh my
my pipes is dry
what I'm gonna do with dry pipes
forlorn it's early morn
what i'm gonna do with dry pipes

i call my man but he won't stand
cause all i paid him was a bag of sand
now baby what I'm gonna do with dry pipes
oh boy
now what i'm gonna do with dry pipes

you got to keep them fix-it men fed you get
you got to keep them buttered and breaded
you got to keep them sweet
sweet things said
no love at the door they won't come no more.

no fun my car won't run
what about the car that won't run
work work gotta get to work
what about the car that won't run

I call my man but he won't stand
cause all i paid him was to shake my hand

now baby what about the car that won't run

now what about the car that won't run.

you got to keep them fix-it men fed you get

you got to keep them buttered and breaded

you got to keep them sweet

sweet things said

no love at the door they won't come no more.

Ush da doo doot...

roof roof got a leaky roof

what i'm gonna do 'bout that roof

drip drop the rain won't stop

what i'm gonna do 'bout that roof

I call my man but he won't stand

cause nothin's sizzlin in the frying pan

frying pan

you got to keep them fix it men fed better get it

got to keep them buttered and breaded

you got to keep them sweet

sweet things said

no love at the door they won't come no more

no love at the door they won't come no more

no love at the door they won't come no more.
