

2002

Jess Benko

Do I look tired to you?
Haven't slept much since our fight
Do I look lonely to you?
Haven't talked much since you left at night

Need a break from this
Need a break but first one last kiss

Do I look scared to you?
Been consumed since 2002
Do I look sad to you?
Been consumed since you said we're through

Need a break from you
Need a break from what you put me through
