

Alone

Jess Moskaluke

Jake Coco:

I hear the ticking of the clock
I'm lying here the room's pitch dark
I wonder where you are tonight
No answer on the telephone
And the night goes by so very slow
Oh I hope that it won't end though
Alone

Jess Moskaluke:

Till now I always got by on my own
I never really cared until I met you

Together:

And now it chills me to the bone
How do I get you alone
How do I get you alone

Jake Coco:

You don't know how long i have wanted
to touch your lips and hold you tight
You don't know how long I have waited
and I was going to tell you tonight
But the secret is still my own
and my love for you is still unknown
Alone

Jess Moskaluke:

Till now I always got by on my own
I never really cared until I met you

Together:

And now it chills me to the bone
How do I get you alone
How do I get you alone

Jake Coco:

Till now I always got by on my own

Jess Moskaluke:

I never really cared until I met you

Together:

And now it chills me to the bone
How do I get you alone
How do I get you alone
Alone, alone
How do I get you alone
