Jake Coco:

I hear the ticking of the clock
I'm lying here the room's pitch dark
I wonder where you are tonight
No answer on the telephone
And the night goes by so very slow
Oh I hope that it won't end though
Alone

Jess Moskaluke:

Till now I always got by on my own I never really cared until I met you

Together:

And now it chills me to the bone How do I get you alone How do I get you alone

Jake Coco:

You don't know how long i have wanted to touch your lips and hold you tight You don't know how long I have waited and I was going to tell you tonight But the secret is still my own and my love for you is still unknown Alone

Jess Moskaluke:

Till now I always got by on my own I never really cared until I met you

Together:

And now it chills me to the bone How do I get you alone How do I get you alone

Jake Coco:

Till now I always got by on my own

Jess Moskaluke:

I never really cared until I met you

Together:

And now it chills me to the bone How do I get you alone How do I get you alone Alone, alone How do I get you alone
