

This Love

Jess Moskaluke

I was so high I did not recognize
The fire burning in his eyes
The chaos that controlled my mind
Whispered "Goodbye", as he got on a plane
Never to return again
Always in my heart

This love has taken its toll on me
He said "Goodbye" too many times before
His heart is breaking in front of me
I have no choice 'cause I won't say goodbye anymore

I tried my best to feed his appetite
Keep him coming every night
So hard to keep him satisfied, oh!
Kept playing love like it was just a game
Pretending to feel the same
Then turn around and leave again
But I know...

This love has taken its toll on me
He said "Goodbye" too many times before
His heart is breaking in front of me
I have no choice 'cause I won't say goodbye anymore

I'll fix these broken things
Repair your broken wings
And make sure everything's alright
(It's alright, it's alright)
My pressure on your hips
Sinking my fingertips
Into every inch of you
'Cause I know that's what you want me to do

This love has taken its toll on me
He said "Goodbye" too many times before
And his heart is breaking in front of me
I have no choice 'cause I won't say goodbye

This love has taken its toll on me
He said "Goodbye" too many times before
My heart is breaking in front of me
He said "Goodbye" too many times before

This love has taken its toll on me
He said "Goodbye" too many times before
And his heart is breaking in front of me
I have no choice...
