

BOOHOO

JessB

Six million ways to die, choose one
Six six million ways to die
I don't care if you like it or not, boohoo
I'ma do me, suggest you do too
I don't care if you like it or not, boohoo
I'ma do me, suggest you do too

There's a lot I don't know but so much I do
There's been a lot of miles covered walking in my shoes
And I don't care if you like it or not, boohoo
Got my middle finger up to where the sky turns blue
I wish a bitch would try some, say some
Cuz some of you hoes you need an education
But lucky for you this is a celebration
I'ma roll a little something for some levitation and I'ma

Chiller, a big chiller, my own bread, winning my own top biller
I only need one bad thing and I'm posted up with it
I'm bad of figure and my fingers getting both, so go figure

I don't care if you like it or not, boohoo
I'ma do me, suggest you do too
Six six million ways to die, choose one
Six six million ways to die
I don't care if you like it or not, boohoo
I'ma do me, suggest you do too
Six six million ways to die, choose one
Six six million ways to die

They hate someone like me, high self-esteem
Enough to make an op wanna shake and scream
And yeah we in the streets, corporates and in between
And I'ma repeat and refresh 'til more with me
She don't like you but she do like me
I'm a lot of things, baby, but I ain't discreet
Yeah, believe the whole team like an oiled machine
And we be working for the dream, baby, yes indeed

Ride that wave wherever I do flow
You ain't do it like us, you know that we know
Yeah, call me a baker cuz I need that dough
Hey, you think I need you? Nope, I don't
Hating-ass hoes stay undisclosed
I don't ever bite the bait and that's the code
I ain't never got the time but plenty of goals
And you ain't got enough to do and I know it shows

I don't care if you like it or not, boohoo
I'ma do me, suggest you do too
Six six million ways to die, choose one
Six six million ways to die
I don't care if you like it or not, boohoo
I'ma do me, suggest you do too
Six six million ways to die, choose one
Six six million ways to die
