

# Bump Bump

JessB

Runnin' to the money like  
Uh-uh, uh-uh, J-JessB

I was like, uh-huh, what you want, want?  
Hits like Missy, man, I'm tryna bump bump  
Like uh-huh, what you want, want?  
Snoop Doggy Dogg, man, I'm tryna pump, pump  
Like uh-huh, what you want, want?  
Hits like Missy, man, I'm tryna bump bump  
Like uh-huh, what you want, want?  
Snoop Doggy Dogg, man, I'm tryna pump, pump

Uh-huh, pass the blunt, blunt  
I'm knockin' at your door, comin' to the front, front like  
What's up? Tryna kick it, punt, punt  
I talk my own shit and I do my own stunts  
Like yeah, run-running to the money like  
Yeah, pe-people tryna love me like  
Yeah, uh, voice be gettin' loud now  
Yeah, uh, you can't tell me nothin' (Can't tell me nothin')  
What? Ooh, ooh  
Yeah, I be up in here, they don't know what to do  
Tell me what you tryna get into?  
I'ma shake my thing like a peacock do

Huh, like who you?  
I'm ridin' round, shinin' for the beaucoup loot  
Serve y'all like the drive-through  
'Cause the money got me acting brand new, new

I was like, uh-huh, what you want, want?  
Hits like Missy, man, I'm tryna bump bump  
Like uh-huh, what you want, want?  
Snoop Doggy Dogg, man, I'm tryna pump, pump  
Like uh-huh, what you want, want?  
Hits like Missy, man, I'm tryna bump bump  
Like uh-huh, what you want, want?  
Snoop Doggy Dogg, man, I'm tryna pump, pump

I do big shit, that's Rick Ross  
Big chef game cookin', that's big pots  
Hit my line, yeah, baby, that's the big boss  
Big star, shot callin', big lift off  
I only say it once, never two times  
See the way I floss, see the shoe shine?  
If I bring it to the function then that's two dimes  
Yeah, I'm a cancer, baby, show my true signs  
I be on my shit when the moon shines  
And when I go to sleep, that's where the truth lies  
They be checkin' on a girl, you never came to mind  
I be rollin' deep, yeah, check the troop size

Always in the lead, no need, no follow  
No hollow talk, no false bravado  
Light years ahead of ya, word to Apollo  
Bitch, I'm writin' these bars from tomorrow

I was like, uh-huh, what you want, want?  
Hits like Missy, man, I'm tryna bump bump  
Like uh-huh, what you want, want?  
Snoop Doggy Dogg, man, I'm tryna pump, pump  
Like uh-huh, what you want, want?  
Hits like Missy, man, I'm tryna bump bump  
Like uh-huh, what you want, want?  
Snoop Doggy Dogg, man, I'm tryna pump, pump

Runnin' to the money like  
Pe-people tryna love me like  
Voice be gettin' loud now  
Yeah, you can't tell me nothin'
