JessB

I been doing me right from the jump, yeah  
I don't really know how else to be, yeah  
I been doing me and now the whole fam get it  
Same team with me from the jump so let me get it, uh

We gon do it how we do  
Tell the story, where we from  
Making way, we making room

(Ok I) Do it how I want  
(Ok I) Get it how I want  
If you ain't moving wit me, baby, know I'm moving on

Do me from the jump  
Do me from the jump  
Greatness in the making baby do not interrupt

Ooh I feel sexy  
Damn I feel so free  
And I feel comfy  
Like an XL tee

And you know that I been wit it from the jump  
And you know that I been wit it from the jump  
And you know that I been wit it from the jump  
And you know that I been wit it from the jump

You know we some big bold bitches  
Yeah them King Kong bitches  
Auckland city up in this, hello ding-dong bitches

I'm only coming in if I can bring my people  
This the story of my life nah nah there ain't no sequel  
Gotta keep it moving if you baby if you want that freedom  
Ifyousit for too long you gon get them pins and needles

I never owe you comforts  
I never signed on no dot  
I never change up for no one  
Ay what the fuck is you thought

I keep it humble and faithful  
But I still know what I got  
Cuz mother fuckers move like vultures  
Circle fly thru your spot

I been doing me right from the jump, yeah  
I don't really know how else to be, yeah  
I been doing me and now the whole fam get it  
Same team with me from the jump so let me get it, uh

We gon do it how we do  
Tell the story, where we from  
Making way, we making room

(Ok I) Do it how I want  
(Ok I) Get it how I want

If you ain't moving wit me, baby know I'm moving on

Do me from the jump

Do me from the jump

Greatness in the making baby do not interrupt

Like an XL tee

Do me from the jump
