

# Talk Of The Town

JessB

What I told ya  
You know I'm grinding like a soldier  
I love your body let me hold ya  
I love your body let me

Got a new boo, now we talk of the town  
I see them looking every time we turn round  
She love me and the way I put it down  
If you ain't know then, well I guess you know now

Like mmm yeah  
Got me feeling like mmm ayyyy ahhh  
Got me like mmm yeah  
Got me feeling like mmm ayyyy ahhh

I got a new boo  
And we the talk of the town, now  
Me plus you yeah  
You know I like how it sound, now  
Yeah we heading way up  
To stay up  
I been rolling up papers  
No fake love  
Dream girl mi nuh wake up  
We laid up  
And I love what I found, now

Got a new boo, now we talk of the town  
I see them looking every time we turn round  
She love me and the way I put it down  
If you ain't know then, well I guess you know now

That's my baby  
That's my lady  
That's a bad body gyal like Mercedes  
I only care about what she have to say to me  
Everybody else it's fuck you pay me  
Girl you so fine wine to me  
She always save a little time for me  
Show me things only I can see  
Show me things only I can be  
Bad bitch on my line  
Ima talk to it, call that FaceTime  
How many times did I kill it, that's 9  
That kitty there, uh huh, that's mine

Got a new boo, now we talk of the town  
I see them looking every time we turn round  
She love me and the way I put it down  
If you ain't know then, well I guess you know now

Like mmm yeah  
Got me feeling like mmm ayyyy ahhh  
Got me like mmm yeah  
Got me feeling like mmm ayyyy ahhh

So come and do me like, uh

She gonna do me like, uh  
Come and do me like, uh  
So come and do me like, uh  
She gonna do me like, uh  
Come and do me like, uh, uh, uh  
Come and do me like
