

Uh Huh

JessB

Time is money, baby, I ain't got nothing to waste now
Ooh, she say she like me, wanna show me from the waist down
Uh-huh, uh-huh, whine your waist way down
Way down, way down, down, down
Uh-huh, uh-huh, uh-huh, yeah, yeah
Uh-huh, uh-huh, uh-huh, yeah, yeah
Uh-huh, uh-huh, uh-huh, yeah, yeah
Uh-huh, uh-huh, uh-huh (Nah)

There ain't a goddamn thing they could take way from me
When I step up in the room, better have my money
Got a couple niggas with me, they the first to know
If they want drama, we can take the role, uh
Word on the street 'bout to take it blow
Got that summer kinda heat so they shade some more, uh
Love a big booty and some vegetables
If it's on the table, I will take it all, ha
Break it all down, shake it all now
If you want to, we could ball out
I caught a vibe, I was feeling on it
Peeped that thang too if we honest
But excuse me, I'ma keep it modest
You make me feel, guess you an artist
Freak it on me, secrets for me
If you got time, you can spend it on me

Time is money, baby, I ain't got nothing to waste now
Ooh, she say she like me, wanna show me from the waist down
Uh-huh, uh-huh, whine your waist way down
Way down, way down, down, down
Uh-huh, uh-huh, uh-huh, yeah, yeah
Uh-huh, uh-huh, uh-huh, yeah, yeah
Uh-huh, uh-huh, uh-huh, yeah, yeah
Uh-huh, uh-huh, uh-huh, way down
Time is money, baby, I ain't got nothing to waste now
Ooh, she say she like me, wanna show me from the waist down
Uh-huh, uh-huh, whine your waist way down
Way down, way down, down, down
