

Where Are We Going

JessB

Take my hand
Ah, let's play pretend
Ah, I'm here again
I want this instead
And if it isn't true
Ah, let's play pretend
Ah, let's start again
Baby, let's ascend
I just wanna feel something that is real
I just wanna feel moments that can heal
Can you let me know? Can you let me go?
I need to be free and you know that I've been low

I just want to feel, I just want to know
Baby, can you tell me where we really going?
I just want to feel, I just want to know
Baby, can you tell me where we really going?

Oh-na-na-na, yeah
Oh-na-na-na, yeah
Oh-na-na-na, yeah
Hey, where we, we going?
Oh-na-na-na, yeah
Oh-na-na-na, yeah
Oh-na-na-na, yeah
Hey, where we, we going?
Oh-na-na-na

Ayy, where we go, got the love
Well, let it show, my baby
Let it show and you know about me
Baby, I'm down for the road
'Til the end, I'm a soldier
You can count on me again
I've been up and I've been down

What we really got right here, so we ten toes down
Life keep moving and the world goes 'round
I keep flying and the pack stays loud
Let me put it on you, let me make you proud
Got a little fight, know I fight back
I'm just tryna kick it, yeah, where the vibes at?
And I'm just tryna heat it like a spice rack
I'm a bad motherfucker, know you like that

I just want to feel, I just want to know
Baby, can you tell me where we really going?
I just want to feel, I just want to know
Baby, can you tell me where we really going?

Oh-na-na-na, yeah
Oh-na-na-na, yeah
Oh-na-na-na, yeah
Hey, where we, we going?
Oh-na-na-na, yeah
Oh-na-na-na, yeah
Oh-na-na-na, yeah

Hey, where we, we going?
Oh-na-na-na
