

# Deadly Doll

Jesse Jo Stark

Deadly she was  
Young little ghoul  
Falling in love  
Lead by a fool

Sucker blue kiss saddened her heart  
Now she lies all alone dead from the start

Deadly doll  
Breaking her heart  
Deadly doll  
Lay her down soft  
She's a laced up little vamp  
Put on her dark dress  
She's the daughter of the damned  
Pretty young vamp  
Deadly doll, deadly doll

Baby's gone mad  
Driving round and  
Faded in June  
Drunked out on doom

Sucker blue kiss blackened her heart  
Now she lies all alone dead from the start

Deadly doll  
Breaking her heart  
Deadly doll  
Lay her down soft  
She's a laced up little vamp  
Put on her dark dress  
She's the daughter of a cramped  
Pretty young vamp

She's a laced up little vamp  
Put on her dark dress  
She's the daughter of the damned  
Pretty young vamp
