

Love Is in the Air

Jesse Jo Stark

Spreading like a tropical disease
Hanging in my haunted summer breeze
Yeah, all the girls are skeletons
They wanna jump your bones
Everybody talks too much
Everybody's stoned

Saw your shadow turn blue
Knew I had to have you
Then you looked at me

Now love is in the air
Love is in the air
Love is in the air

And I can't breathe
You destroy me completely with a stare
My fingers should be in your dirty hair

All the girls are skeletons
They wanna jump your bones
Everybody talks too much
Everybody's stoned

Saw your shadow turn blue
Knew I had to have you
Then you looked at me

Now love is in the air
Love is in the air
Love is in the air
And I can't breathe

Now love is in the air
Love is in the air
Love is in the air
And I can't breathe

Yeah, love is in the air
Love is in the air
Love is in the air
And I can't breathe
