

# Can You Help Me

Jesse Johnson

Girl you know I'd love to know your name  
but I don't have the lines  
Unfortunately we're taught baby oh so tastelessly oh  
How could I waste your time  
Everybody knows girl I'm so in love with you  
It's no mystery  
Ooh, I just want to be your lover baby  
Forever naturally

So tell me girl,  
Can you help me?  
Baby can you help me?  
Can you help me?  
Baby can you help me?

Girl you know I'm not the type that feels I'll win your love for sure  
But if my heart keeps pushing harder baby I'll fall right through you  
r door  
It's not that I don't want you bad enough  
The truth is I'm afraid  
Sincerely telling you just what's been on my mind  
Maybe judgement day

So tell me girl,  
Can you help me?  
Baby can you help me?  
Baby girl, Can you help me?  
Baby can you help me?

Everybody knows, oh oh  
How bad I want you girl  
Some people say, yay yay yay  
My mind is in another world  
Now baby won't you please please baby  
Let me give you all my love  
Cause I'm so afraid naturally  
Cause your heaven sent from above

So tell me girl,  
Can you help me?  
Baby can you help me?  
Can you help me?  
Baby can you help me?

Girl can you help,  
Can you help me?  
Baby can you help me?  
Oh woe woe, Can you help me?  
Baby can you help me?
