

Catch And Release

Jesse Mccartney

I don't know what to say to you really
You're holding on to this thin idea
That somehow I will still be standing here
When you haven't changed
Don't matter what you say
Cause I've been hearing 'bout the temporary fixes
The drunken walks with foreign men
You can't remember kissin'
So I would rather you enjoy yourself
Than lie to me and tell me
That your someone else
You don't have to change
You can stay the same, oh

Catch and release
Catch and release
Catch and release
Girl, you're off the hook
Catch and release
Catch and release
Catch and release
Catch and release
Girl, you're off the hook

The truth is that there's nothing
Wrong with what you're doing
You're just painting the picture
The way that you want me to view it
You don't have to babe
Throw your brush away
Cause we can move on
We can be friends, it'd be better
If you stop protecting my feeling
In every single letter
Give it to me straight
(Give it to me straight)
Girl, I'll be okay

Catch and release
Catch and release
Catch and release
Girl, you're off the hook
Catch and release
Catch and release
Catch and release
Catch and release
Girl, you're off the hook
Catch and release
Catch and release
Catch and release
Catch and release
Girl, you're off the hook
Catch and release
Catch and release
Catch and release
Catch and release
Girl, you're off the hook

When it was good, it was great
Girl, I won't deny
But there was nothing we could do

About the place in time
Maybe in the future we can give
This thing another try, baby
But until then I wish the best for you
And your children too

Catch and release
Catch and release
Catch and release
Girl, you're off the hook
Catch and release
Catch and release
Catch and release
Catch and release
Girl, you're off the hook
Catch and release
Catch and release
Catch and release
Catch and release
Girl, you're off the hook
