

# It's Over

Jesse Mccartney

We've run out of words we've run out of time  
We've run out of reasons really why we together  
We both know it's over baby bottom line  
It's best we don't even talk at all

Don't call me even if I should cross your mind  
Hard enough I don't need to hear your voice on my messages  
Let's just call it quits it's probably better  
So if I'm not returning your calls it's 'cause

'Cause I'm not comin' back I'm closing the door  
I used to be trippin' over missin' you but I'm not anymore  
I got the picture phone but baby your picture's gone  
Couldn't stand to see your smile every time you dialed

'Cause it's over  
Girl you know it's over this time  
So when you call I'm pressin' seven  
Don't wanna hear your messages messages  
I'm tryna erase you from my mind  
'Cause it's over  
I swear girl it's over this time  
So don't keep callin' leavin' messages  
Don't wanna know where you been  
Baby 'cause it's over

I still wake up every morning quarter to ten  
I still eat my cereal right at the kitchen table  
I can't even remember how long it's been  
No trouble stayin' occupied

Oh I ask about you whenever I come around  
I do what I can not to put my business in the streets  
Last thing I need's another episode  
Keep conversation short and sweet because

'Cause I'm not comin' back I'm closing the door  
I used to be trippin' over missin' you but I'm not anymore  
I got the picture phone baby your picture's gone  
Couldn't stand to see your smile every time you dialed

'Cause it's over  
Girl you know it's over this time  
So when you call I'm pressin' seven  
Don't wanna hear your messages messages  
I'm tryna erase you from my mind  
'Cause baby it's over  
I swear girl it's over this time  
So don't keep callin' leavin' messages  
Don't wanna know where you been  
Baby 'cause it's over

You know that it's over when the burnin'  
And the yearnin' inside your heart ain't there anymore  
And you know that you're through when she don't do to you  
And move you like the way she moved ya before

And you wanna pull her close  
But your heart has froze  
You kiss her but her eyes don't close  
Then she goes out of your heart forever  
And it hurts you but you know that it's better

Girl you know it's over  
Girl you know it's over this time  
So when you call I'm pressin' seven  
Don't wanna hear your messages messages  
I'm tryna erase you from my mind  
'Cause it's over  
I swear girl it's over this time  
So don't keep callin' leavin' messages  
Don't wanna know where you been  
Baby 'cause it's over  
'Cause it's over  
Girl you know it's over this time  
So when you call I'm pressin' seven  
Don't wanna hear your messages messages  
I'm tryna erase you from my mind  
'Cause it's over  
I swear girl it's over this time  
So don't keep callin' leavin' messages  
Don't wanna know where you been  
Baby 'cause it's over
