I wanna see you when I wake up, wake up, wake up
'Cause you look good without make up, make up, make up
Ain't nothing on you phony, phony, phony
You're sexy and you know it, know it, know it

A little dose of you helps me to start my day
Baby girl, I'd really love to see your face
And don't be surprised if you catch me gazing
(Gazing)

I'm taking pictures in case you ever go away
'Cause baby, I don't wanna miss a thing
'Cause you're too captivating

I wanna see you when I wake up, wake up, wake up
'Cause you look good without make up, make up, make up
Ain't nothing on you phony, phony, phony
You're sexy and you know it, know it, know it

You're sexy but you know it, know it, know it
You're sexy but you know it, know it, know it
You're sexy but you know it, know it, know it
You're sexy but you know it

Baby girl, you don't even gotta try
'Cause just your looks alone really really light my fire
'Cause your body's blazing

Baby, when we go to sleep at night
Oh, I don't wanna close my eyes
Why dream when I can have the real thing?

I wanna see you when I wake up, wake up, wake up
'Cause you look good without make up, make up, make up
Ain't nothing on you phony, phony, phony
You're sexy and you know it, know it, know it

You're sexy but you know it, know it, know it
You're sexy but you know it, know it, know it
You're sexy but you know it, know it, know it
You're sexy but you know it

Girl you know that you got me
And I thought you should know
Baby girl, you're so exotic
From your head to your toes
And I just thought I should tell you, baby

You're the reason I'm going crazy
You're the reason I'm going crazy
You're the reason I'm going crazy
You're the reason I'm going crazy
You're the reason I'm going crazy

I wanna see you when I wake up, wake up, wake up
'Cause you look good without make up, make up, make up
Ain't nothing on you phony, phony, phony
