Girl

There's somethin' 'bout me that you oughta know

I've never felt the need to lose control

Always held on back and played it slow

But not this time

Cmaj7

Baby, don't be gentle

I can handle anything

Baby, take me on a journey

I've been thinkin lately

I could use

A little time alone with you

Crazy, let's do something maybe

Please don't take your time

You've got me right where you want me

Woo hoo hoo Only after

Right where you want me

Girl

I'm gonna let you have your way with me

When you move like that it's hard to breathe

Baby, don't be gentle,

I can handle anything

Cmaj7

Can't explain it

How you swept me off my feet

Unexpectedly

Cmaj7

In slow motion

My imagination's runnin' tryin' to keep my body still

Oh, I can hardly stand the thrill

Yeah

Cmaj7

Well, Baby don't be gentle
I can handle anything
