

So Cool

Jesse McCartney

She don't need diamonds and pearls, she sparkles all on her own
At Beauty Incorporated, she's the CEO
The hottest under the sun, tell by the way that she moves
I keep her picture in my pocket just so everyone knows

She's the greatest of God's creations
I'm so happy Heaven made her
Topic of my conversation
She's nothing short of amazing

She's so cool
My baby (so cool)
She wit it (so cool)
And she knows it
I love her damn I swear she's so cool
Puts it on me (so cool)
On the daily (so cool)
I go crazy
I love her damn, I swear she's so cool
Oooooohhhhhhhhhhh
I love her damn, I swear she's so cool
Oooooohhhhhhhhhhh
I love her damn, I swear she's so cool

Don't need to pick up the keys, she takes me all over town
Ordering dishes off menus that I can't even pronounce
And at the end of the night when everything's shutting down
Under the covers her love is so good it's turning me out

She's the greatest of God's creations
I'm so happy Heaven made her
Topic of my conversation
She's nothing short of amazing

She's so cool
My baby (so cool)
She wit it (so cool)
And she knows it
I love her, damn I swear she's so cool
Puts it on me (so cool)

I love her, damn I swear she's so cool
Oooooohhhhhhhhhhh
I love her, damn I swear she's so cool
Oooooohhhhhhhhhhh
I love her, damn I swear she's so cool

Do you hear me girl, I'm talking to you
Ain't nobody do it better than you (oh)
And even when you with your crew
They all disappear standing next to you
Girl I love your point of view
Say what you mean and you follow through (oh)
I think I wanna marry you
Telling everybody that my baby is so cool

She's so cool
My baby (so cool)
She wit it (so cool)
And she knows it
I love her, damn I swear she's so cool
Puts it on me (so cool)
On the daily (so cool)
I go crazy
I love her, damn I swear she's so cool
