Uh oh uh oh  
Oh uh oh uh oh  
Uh oh uh oh  
Sunshine  
Uh oh uh oh  
Oh uh oh uh oh  
Uh oh uh oh  
Sunshine  
Gonna take my time n walk up on your sexy little lady  
Tryin' to get me started  
Work that body  
Hurt me when you shake it  
You got you got  
What I want I want  
And the way you flaunt it  
Girl I'm on it loving  
This wonderful feeling  
Is taking me over  
Your sexual healing  
Is pulling me closer  
I just invited  
Myself into your life  
And now that I got it  
I'm gonna need it all the time  
Sunshine  
Girl I just need ya  
Sunshine  
I can't live without ya  
Sunshine  
Sunshine all of the time  
Sunshine  
Girl you got this down  
Sunshine  
Mama give me some  
Sunshine  
Of your sunshine all the time  
Uh oh uh oh  
Oh uh oh uh oh  
Uh oh uh oh  
Sunshine  
Now put ya fingertips up to my lips  
Cuz I just wanna taste ya  
With my hands all up and down your hips  
You know I'm tryin' to trace ya  
You got you got  
What I want I want  
So let me have it  
This addict just needs a fix  
Girl it's on tonight  
This wonderful feeling  
Is taking me over  
Your sexual healing  
Is pulling me closer  
I just invited  
Myself into your life  
And now that I got it  
I'm gonna need it all the time

Sunshine  
Girl I just need ya  
Sunshine  
I can't live without ya  
Sunshine  
Sunshine all of the time  
Sunshine  
Girl you got this down  
Sunshine  
Mama give me some  
Sunshine  
Of your sunshine all the time  
I just can't let you go  
Your body's outta control  
My heart is poundin' like I'm drownin' when I'm not with you  
When I come up for air  
I swear you answer my prayer  
it's cold and dark without your sunshine oh  
This wonderful feeling  
Is taking me over  
Your sexual healing  
Is pulling me closer  
I just invited  
Myself into your life  
And now that I got it  
I'm gonna need it all the time  
Sunshine  
Girl I just need ya  
Sunshine  
I can't live without ya  
Sunshine  
Sunshine all of the time  
Sunshine  
Girl you got this down  
Sunshine  
Mama give me some  
Sunshine  
Of your sunshine all the time  
Uh oh uh oh  
Oh uh oh uh oh  
Uh oh uh oh
