

# The Writer

Jesse McCartney

Hey she put a pen to my heart and wrote down her name, yeah  
And ever since then my life just ain't been the same, no  
She left a mark with every word that she wrote  
Maybe I should've know who she was

Cause she had me at A Once Upon a time  
And all at once she blew my mind and broke my heart into pieces  
I didn't know I was just a character  
Another chapter in the works  
Another victim of her words

Cause she was the writer  
She was the star  
She was the writer  
And she wrote off my heart  
And I knew because when I said I loved her, she found another  
And that's how, that's how, that's how the story goes

She wrote me into a life so late in the book, yeah  
So by the end of the paragraph, I was so sure  
Oh I didn't know I was living by day to day, page to page, What a shame  
Yeah  
I was just a footnote in her game

Cause she had me at A Once Upon a time  
And all at once she blew my mind and broke my heart into pieces  
I didn't know I was just a character  
Another chapter in the works  
Another victim of her words

Cause she was the writer  
She was the star  
She was the writer  
And she wrote off my heart  
And I knew because when I said I loved her, she found another  
And that's how, that's how, that's how the story goes

It goes on and on and on, but for me it all went wrong  
And that's how, that's how the story goes  
It goes on and on and on, but for me it didn't last too long  
And now our time is over and gone

Cause she was the writer  
She was the star  
She was the writer  
And she wrote off my heart  
And I knew because when I said I loved her, she found another  
And that's how, that's how, that's how the story goes

That's how it goes yeah
