

# Told You So

Jesse McCartney

Lookin' at you now I can tell  
That you and your new relationship ain't goin' well  
There's no reason your name should come up on my cell  
Unless you're unhappy but that shouldn't be the case

'Cause you said said he was the one  
Baby yes you said said you were in love  
'Cause when you left me you said that you wouldn't be  
Comin' back remember that but I never agreed

I hate to say it but I told you so  
Told you if you left that you were gonna be miserable  
Guess he don't do it like me or else you wouldn't be  
Runnin' back to the past it was you that left me  
I hate to say it but you know I'm right  
Everytime you're up be callin' for me late at night  
But now that you ain't got me tell me where you gon' be  
'Cause I can't take you back no my heart won't let me

Girl you know he can't touch like I do  
I don't see you trippin' or flippin' over his moves  
Don't take a genius to see he ain't that dude  
But you let him back you don't know what you was on

When you said said he was the one  
Baby yes you said said you were in love  
'Cause when you left me you said that you wouldn't be  
Comin' back remember that but I never agreed

I hate to say it but I told you so  
Told you if you left that you were gonna be miserable  
Guess he don't do it like me or else you wouldn't be  
Runnin' back to the past it was you that left me  
I hate to say it but you know I'm right  
Everytime you're up be callin' for me late at night  
But now that you ain't got me tell me where you gon' be  
'Cause I can't take you back no my heart won't let me

You fall on hard times it seems  
But you ain't gettin' no sympathy  
No baby not from me  
'Cause I told you you should never leave  
See you chose this road so you gotta go it alone  
Remember I told you so

I hate to say it but I told you so  
Told you if you left that you were gonna be miserable  
Guess he don't do it like me or else you wouldn't be  
Runnin' back to the past it was you that left me  
I hate to say it but you know I'm right  
Everytime you're up be callin' for me late at night  
But now that you ain't got me tell me where you gon' be  
'Cause I can't take you back no my heart won't let me
