

Weightless

Jesse McCartney

I'm feeling weightless going through the changes
Feels so good to say it
Finally feeling weightless, weightless

Turning over stones and
Living in my lonely
Moving through it slowly now
Sifting through the gold in
Everything you told me
And what we never said out loud

And now you're
Out of sight, still
In my mind, I
Hope one day I can say
I'm finally feeling weightless
Going through the changes
Only getting better
Lighter than a feather
Oh I've been right there on the edge of breaking
Feels so good to say it
Finally feeling weightless, weightless

Oh oh oh
Oh oh oh
Oh oh oh I'm feeling weightless, weightless
Oh oh oh
Oh oh oh
Oh oh oh I'm feeling weightless, weightless

Looking for the silver
Lining in the story
Before I let this chapter close
And I can't understand how
We got so close to glory
And now you're someone I don't know

Yeah, you're
Out of sight, still
In my mind, I
Hope one day I can say
I'm finally feeling weightless
Going through the changes
Only getting better
Lighter than a feather
Oh I've been right there on the edge of breaking
Feels so good to say it
Finally feeling weightless, weightless

Oh oh oh
Oh oh oh
Oh oh oh I'm feeling weightless, weightless
Oh oh oh
Oh oh oh
Oh oh oh I'm feeling weightless, weightless
