

# All Alone

Jesse Powell

Sitting here all alone, just thinkin' bout'cha staring at the phone  
Wondering if you're gonna call, my mind is racing off the wall  
See it was cool, when you said my name  
To imagine it is not the same  
I must be strong, I will go on  
But this empty heart is causing me pain, don't wanna be

All alone, all alone, all alone, don't wanna be all alone  
All alone, all alone  
(2x)

Said that you would always be there, now I'm so alone  
I can't even bear  
But honey that's just fine, cause one day, the only  
Love you want, will be mine  
I'm not a fool, I've got integrity, don't blame my sensitivity  
It's not a game, cause alone I remain

And this empty heart is causing me pain, don't wanna be  
All alone, all alone, all alone, don't wanna be all alone  
All alone, all alone  
(2x)

We could take the time to make things right, just stay  
Somehow I've got to drive this loneliness away

All alone, all alone, all alone, don't wanna be all alone  
All alone, all alone  
(2x)

Hey, hey, hey, hey, hey, hey

All alone, all alone, all alone, don't wanna be all alone  
All alone, all alone  
(2x)

Don't wanna be all alone  
Don't leave me baby  
Come back to me, say yes, say yes  
Don't leave me alone, oh c'mon back, c'mon back  
I don't wanna be alone  
Don't leave me here alone, don't wanna be alone  
I don't wanna be alone  
I'm waiting right here  
Down on my knees  
Please tell me that you'll come back to me  
I don't wanna be alone  
Baby don't you have me here on my own  
C'mon back, c'mon back  
I don't wanna be alone
