Uh-huh, uh-huh (Yeah-yeah)

Woo, Daddy

Uh-huh (Yeah, yeah, hey)

Uh-huh (Yeah, yeah, hey)

Yeah-yeah (Yeah, yeah, hey)

Got no time to waste, I could be dying today

I left The Neighborhood, I'm in the city

I left my boo, I got someone new with me

I'm going crazy, I should be committed

It's a new era like 59FIFTY

Not even capping, I wish that I was

I got a habit of running from love

It started happening when I was young

I got abandonment issues, uh-huh

Sometimes I don't even know what I want

I bought a condo and I bought a boat

Might wanna fuck, but I might need a hug

Down at the diner, refilling my mug

Stuff in my cup the same color of my lungs

I want some more but I wanna give up

Not even sure why I'm thinking so much

Besides with the girls who just wanna have fun

Uh-huh (It's Jesse, baby)

Uh-huh (Yeah, yeah, hey)

(Yeah, yeah, hey)

No time to waste, I could be dying today

Uh-huh (Yeah, yeah, hey)

Uh-huh (Yeah, yeah, hey)

Yeah-yeah (Yeah, yeah, hey)

Got no time to waste, I could be dying today
