Jesse Rutherford

I wish you loved me like she does
She's so cool but you're so hot, yeah
She knows all my little secrets
All my secrets except one, mhm
I wish you loved me like she does
You're so close but I can't touch
She doesn't know our little secret, no, no
I kissed you once, it's not enough

She's your best friend
But I can't help, my attention's on you, baby
My intentions are offensive but
She'll get over it
She'll get over it
She'll get over it

I'm not pushin' 'cause that pushes you away, baby, mhm
I'm not rushing you but I don't wanna wait another day
I wish you loved me 'cause she can't
When she moves slow, I go fast, yeah
She knows most of my secrets
But I know one she didn't catch

She's your best friend
But I can't help, my attention's on you
My intentions are offensive but
She'll get over it (I'm not pushing 'cause that pushes you away
)
She'll get over it (If the pressure rushin' through it, I can't
wait)

Ooh, might be a mistake (if we go for it)
Hearts are gonna break

She'll get over it
She'll get over it
She'll get over it
