

# CRISIS

Jesse Rutherford

Pot, knockin' on rocks  
I'm at the top of my game  
Ready to play, I never change  
I hit a wave, told me to stay  
In my own lane, I'm on a wave  
You can't relate, sorry you're lame  
Uh-huh, they call me Jesse don't need a last na-  
(Did you start?)  
(Oh, yeah)  
(Rockstar)

Brand new bottom row  
8K on some 18 karat yellow gold  
Star power, boy, I feel like I'm Mario  
I been down in K-Town at the studio  
Gotta cook it up so I can get some more (Yeah)  
Bust down VVS's just to set the tone (Yeah)  
I knew what I wanted and I got it done  
Guess I'm only flexing now to let you know  
So let the records show

You want the old me  
You don't like the new me  
Feel like you know me  
If you really knew me  
You'd know how I switch it up (Yeah)  
You know I don't give a f-

That's just how my life is  
You don't have to like it  
Identity crisis  
I'll pay what the price is  
Every time I mix it up, yeah  
You know I don't give a f-

So much on my plate right now but I ain't full  
This sh- is the only sh- I've ever known  
Dad wasn't around, I brought the cheddar home  
When my sh- was cold, I put the sweater on  
Now I'm back to hit you with another one, I gotta do it  
Love the way I put you under my influence, yeah  
Watching you get high to me is like a drug  
I know it'll never be enough

All this weight that I carry  
Feel like Jim, sh- is scary  
You're not fly, you're a parrot  
My sh- poppin' like a cherry  
Bad lil' bi- wanna get married  
That's my fairy, that's my rock  
All Burberry, down to the socks  
Up on my watch, got it on lock  
Smokin' on pot, knockin' on rocks  
I'm at the top of my game  
Ready to play, I never change  
I hit a wave, told me to stay  
In my own lane, I'm on a wave
