

## Dime & Dog

Jesse Rutherford

I've been starvin' for another taste  
Like a dog, you got me on a leash  
I've been barkin' at your feet  
One more bite is all I need

It's a new year, had to turn a new leaf  
I just put some money down on a new lease  
Livin' on a cloud in a blue dream  
Now you know how much it matters to me  
'Til now I'm a groupie, give me what I'm asking for  
Oh, please, on the floor, beggin'

I've been starvin' for another taste  
Like a dog, you got me on a leash  
I've been barkin' at your feet  
One more bite is all I need

Yeah, come on give me what I want right now  
Yeah, come on give me what I want right now  
(I'm the closest thing you'll ever have to him)

I've been starvin' for another taste  
Like a dog, you got me on a leash  
I've been barkin' at your feet  
One more bite is all I need  
One more bite would be so sweet

Yeah, come on give me what I want right now  
Yeah, come on give me what I want right now  
Come on give me what I want right now  
Yeah, come on give me what I want right now
