

Something inside of me been building up
Wanna give you everything, all my love
Nobody else gets me the way you do
Even if I fuck it all up for you

I can't find the words, but I can show you how
I know it hurts, don't let it hold you down
I said, "Hey!" (Hey!)
You said "Que?" (Que!)

Órale
Don't be afraid of the way
It can all turn out, yeah

Never met somebody like you (You)
No one spendin' money like you (You)
How'd I get so lucky? Hidden treasure hunting, ain't nobody lov
e me like you
Do wanna get through to you, wish I could give you everything

Never seen somebody like me (Hey!)
Lemonade to your ice tea (What?)
Got a stain on a white T
Every time I'm with you, I'ma take it off
Making me hot

I can't find the words, but I can show you how
I know it hurts, don't let it hold you down
I said, "Hey!" (Hey!)
You said "Que?" (Que!)

Órale
Don't be afraid of the way
It could all turn out
