

# POV

Jesse Rutherford

I'm at the top, you're at the bottom  
It's a different point of view  
Calling out, "And one"  
Every time I point and shoot  
Yeah, yeah, uh  
Uh-huh, uh  
(Top-top-top)

I'm at the top, you're at the bottom  
It's a different point of view  
Calling out, "And one" every time I point and shoot  
On the clock, nonstop I keep winning, I can't lose  
Feel like Alejandro when she Gaga on my goo  
I'm at the top, you're at the bottom  
It's a different POV  
Polo socks, in my Docs and the top is CDG  
Gotta watch over my shoulder, heart upon my sleeve  
And they told me it was over, I'ma disagree

Top five, dead or alive  
Every city I show up they posting me up like a wanted sign, yeah  
Feel like Jesse James, robbed a bank  
Bringing change back to the gang  
New whip, I'm switching lanes  
Got the same fit as yesterday  
Skrtrt off in that Bradley Coupe, me and you  
Run away, I rendezvous  
Red dress on like Betty Boop  
Yeah, we so cute, I could puke, blegh

'Cause I ain't ever been this high  
But I'm not tryna come down  
Not expecting you to realize  
Where I'm coming from now

I'm at the top, you're at the bottom  
It's a different point of view  
Calling out, "And one" every time I point and shoot

She been listening to me since 2013  
I know she's got daddy issues, welcome to the family  
She said, "Jesse, baby, won't you write a song about me?"  
I said, "I got a whole album, I could drop it next week"  
What doesn't kill you makes you stronger  
Shorty come with me, watch your money get longer  
Turn into an all-star in a pair of Converse  
Blew up by myself, I feel like the Unabomber

'Cause I ain't ever been this high  
But I'm not tryna come down

Not expecting you to realize  
Where I'm coming from now
